Warrant for Annual Meeting

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Milford in the County of Hillsborough in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Town Hall in said Milford on Tuesday, the eighth day of March, next, at eight of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3. To choose three delegates to the Constitutional Convention.

4. To act upon the reports of all town officers, agents, and committees, and raise and appropriate money relative thereto.

5. To see if the town will vote to secure State Assistance for improvement of Class 5 Highways under the law passed at January session 1935, or to see if the town will vote to secure state aid for construction on Mason Road.

6. To see if the town will vote to authorize the selectmen to borrow money in anticipation of taxes, if necessary, as provided by law of 1907.

7. To see what sum of money the town will vote to raise and appropriate for town officers' salaries, town officers' expenses, election and registration expenses, municipal court expenses, repairs and supplies for the town house, police protection, fire protection, moth extermination, collection of garbage, health department, vital statistics, town mainten-

ance of highways, general expense of highway department, street lighting, Milford Free Library, town poor, Memorial Day, parks and playgrounds, cemeteries, interest on temporary loans, interest on bonded debts, interest on serial notes, water and electric utilities, damages and legal expense, town construction of highways, state aid construction of highways, sidewalk construction, sewer construction, payment on principal of debts, state taxes, and county taxes.

8. To see if the town will vote to rescind the resolution passed at town meeting of March 1937 which established an hourly wage rate for town labor.

9. To see if the town will vote to raise and appropriate the sum of $400.00 for the Livermore Community Association, the said amount to cover the premium on the fire insurance policy on the buildings for the ensuing three years, and also the expense of cutting and trimming the trees on said property, and to assist in the maintenance and upkeep of said property.

10. To see if the town will vote to make an appropriation for advertising the town through the Monadnock Region Association.

11. To see if the town will vote to raise and appropriate the sum of $500.00 for the use of the Planning Board to continue the town map as well as prepare a land use plan.

12. To see if the town will vote to raise and appropriate the sum of $1757.30 for the construction of a storm sewer on West Street.

13. To see if the town will vote to raise and appropriate the sum of $2479.95 for the construction of a storm sewer on Nashua Street in East Milford.

14. To see if the town will vote to raise and appropriate the sum of $2800.00 for a sewer from the corner of Union Street and Mason Road to Charles Ricciardi's on Mason Road and down King Street to the James Lawrence house.

15. To see if the town will vote to raise and appropriate the sum of $200.00 for work on town trees.

16. To see if the town will vote to raise and appropriate $600.00 to paint the Town House.

17. To see if the town will vote to raise and appropriate $250.00 to paint the bridge at Jones' Crossing.

18. To see if the town will vote to raise and appropriate $175.00 to paint the swing bridge.

19. To see if the town will vote to raise and appropriate $300.00 to paint the interior of fire station.

20. To see if the town will vote to raise and appropriate the sum of $100.00 for the celebration of the anniversary of the ratification of the federal constitution by the state June 21, 1938, said sum to be expended under the direction of the Selectmen.

21. To see if the town will raise and appropriate the sum of $100.00 to be used to restore the tennis courts at the Community House, this sum to be matched by a similar sum of $100.00 by the Souhegan Valley Outing Club, said funds to be expended under the supervision of the Outing Club.

22. To see if the town will authorize the selectmen to administer or dispose of any real estate acquired by the town through Tax Collector's deeds.

23. To see if the town will vote to raise and appropriate the sum of $600.00 to purchase the dam

and flowage rights on Great Brook (so called) from D. Whiting and Sons.

24. To see if the town will authorize the selectmen to accept on behalf of the town, any Federal or State grants, that may be offered for the purpose of giving employment for labor.

25. To see what sum the town will vote to raise and appropriate to be used in connection with either Federal or State grants.

26. To transact any other business that may legally come before said meeting.

Given under our hands and seal, this 21st day of February, in the year of our Lord nineteen hundred and thirty-eight.

FRED N. HUTCHINSON,
MAURICE G. JEWETT,
DANIEL D. STEELE,
Selectmen of Milford.

Warrant for School Meeting

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of Milford, qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the 8th day of March 1938, at three o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.

2. To choose a Clerk for the ensuing year.

3. To choose a Member of the School Board for the ensuing three years.

4. To choose a Treasurer for the ensuing year, July 1, 1938 to June 30, 1939.

5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agents of the District.

6. To hear the reports of Agents, Auditors, Committees, or officers heretofore chosen, and pass any vote relating thereto.

7. To choose Agents, Auditors and Committees in relation to any subject embraced in this Warrant.

8. To see if the District will vote to make any alteration in the amount of money required to be assessed for the ensuing year for the support of public schools and the payment of the statutory obligations of the District, as determined by the School Board in its annual report.

9. To see how much money the District will raise and appropriate for special repairs and alterations

of school buildings and grounds, for new equipment and new construction including new heating plant at High School building, and for furnishings and replacements.

10. To see how much money the District will raise and appropriate for insurance on school property.

11. To see what action the District will take with respect to maintenance of nursery school and raise and appropriate money for the same.

12. To see what action the District will take with respect to disposition of Osgood School property.

13. To transact any other business that may legally come before said meeting.

Given under our hands at said Milford, this 16th day of February, 1938.

EMMA B. DANIELS,
RAYMOND A. DYER,
RODNEY C. WOODMAN,
School Board.

BUDGET

Estimates of Revenue and Expenditures for the Ensuing Year, Feb. 1, 1938 to Jan. 31, 1939, Compared with Actual Revenue and Expenditures of the Previous Year, Feb. 1, 1937 to Jan. 31, 1938

7. Schools, lands and buildings	165,000 00
Equipment	5,000 00
	$421,500 00

REPORT OF AUDITORS

We certify that we have examined the items, vouchers and accounts of the following departments and find them to be correct to the best of our knowledge and belief:

Clerk of Board of Selectmen
Building Inspector
Treasurer of Cemetery Trustees
Treasurer of Board of Water Commissioners
Town Treasurer
Justice of Municipal Court
Town Clerk
Tax Collector, previous to 1933
Tax Collector
Treasurer Livermore Community House Committee
Treasurer of Firewards
Road Agent
Treasurer of Trustees of Trust Funds
Treasurer of Memorial Day Committee
Treasurer of the Trustees of Lull Memorial
Treasurer of Parks and Playgrounds
Treasurer of Town History Committee
Treasurer of National Youth Administration
Treasurer of Milford Planning Board

We have examined the securities in the custody of the Trustees of Trust Funds and find them in proper order.

Fire insurance policies as well as surety bonds covering the several town officers were found to be in force and in proper order.

We audited the books of the School District of Milford and those of the Treasurer of the School District for the year ending June 30, 1937 and found them correct to the best of our knowledge and belief.

We suggest that the clerk employed by the Water Commissioners be bonded to an amount equal to that of the Treasurer of the Water Board.

In the course of our audit several suggestions were made by us to the various department heads, which, if carried out, we believe will tend to clarify future reports.

F. S. KIMBALL,
H. E. TRENTINI.

BALANCE SHEET

ASSETS

Cash		$34,299 13

DONALD C. BRUCE,
Town Clerk.

SYNOPSIS OF RECORD OF TOWN MEETING HELD MARCH 9, 1937

Acting under Article 1 of the Warrant the following town officers were elected: Town Clerk, Donold C. Bruce; Town Treasurer, Frederick W. Sawyer; Selectman for three years, Daniel D. Steele; Library Trustee for three years, Harland H. Holt; Trustee of Trust Funds for three years, Ernest M. Stickney; Fire Wardens, Jeremiah J. Casey, Fred A. Farwell, George F. Jewett; Highway Agent, Charles H. Gault; Auditors, Fred S. Kimball, Hugo Trentini; Sexton, Antimo Carpentieri.

Article 2. Voted to raise and appropriate such money as seemed necessary to defray town expenses for the ensuing year.

Article 3. Reports of town officers, agents and committees were accepted and it was voted to raise and appropriate money relative thereto.

Article 4. It was voted to secure State Assistance on Class 5 highways as under law passed at January session 1935.

Article 5. Under this article the following sums of money were raised and appropriated:

Town officers' salaries	$2425 00
Town officers' expenses	1700 00
Election and registration expenses	125 00
Municipal Court expenses	400 00
Expense town hall and other buildings	4000 00
Police department	3700 00
Fire department	5300 00
Health department	700 00
Vital statistics	100 00
Sewer maintenance	1500 00
Garbage	500 00
Highways, town maintenance	8500 00
Street lighting	5400 00

General expense of highways, snow	3500 00
Libraries	2850 00
National Youth Administration	200 00
Town poor	8000 00
Memorial day	200 00
Parks and playgrounds	850 00
Hydrants	2420 00
Cemeteries	800 00
Legal services	100 00
Interest long term notes	211 50
Sidewalk construction	800 00
Sewer construction	2800 00
Principal of debt	5000 00
State tax	13,104 00
County tax	26,297 85
Abatements	500 00

The $2800.00 for sewer construction was appropriated for the purpose of building a sewer to take care of the surface water on Union and Cottage Streets and Dean Moore Hill.

Article 6. The Selectmen were authorized to borrow money in anticipation of taxes, and grant the same discount privilege as was given last year.

Article 7. It was voted to raise and appropriate the sum of $200 towards the maintenance of the Community House.

Article 8. The Selectmen were authorized to accept on behalf of the Town, any Federal or State grants that may be offered for the purpose of giving employment to labor and the sum of $2000 was appropriated to be used in connection with such funds, if such were received.

Article 9. The Selectmen also were authorized, by vote of the people, to administer or dispose of any real estate that might be acquired by the Town through Tax Collector deeds.

Article 10. No money was raised or appropriat-

ed for the purpose of advertising the Town through the Monadnock Region Association.

Article 11. The sum of $200 was raised and appropriated to aid the National Youth Administration—this was done in order to secure Federal Aid for that purpose.

Article 12. Free use of both Town and Banquet Halls was granted the Hillsborough County Forest Fire Wardens' Association for their October meeting.

Article 13. It was voted to grant Peter Latchis an exclusive license to operate his motion picture theatre on week days and Sundays for the sum of one dollar a week or fifty-two dollars a year for the ensuing year starting April 1st, 1937.

Article 14. The joint resolution of the N. H. Legislature relating to the calling of a Constitutional Convention to wit: "Is it expedient to revise the Constitution?" was submitted to the voters on their ballot and the result was 358 in favor and 266 against.

Article 15. In regard to the sum of money left the Town by the will of the late Frank E. Kaley the following resolution was presented by Mr. F. W. Sawyer: "Resolved, that the Town of Milford hereby ratifies the acceptance of the Trust of Five Thousand Dollars ($5000.00) to be known as the Kaley Prize Speaking Contest Trust and will administer the same in accordance with the provisions of the Laws of New Hampshire in such cases made and provided. Resolved, that the income from said Trust Fund be paid over annually to the Superintendent of the School District of Milford in order that the intents and purposes of said Trust may be properly carried out." This resolution was unanimously adopted.

Articles 16 and 17. It was voted to raise and ap-

propriate the sum of $275 for work on town trees and the sum of $300 for the purpose of painting the town barns and garage.

Article 18. The Building Ordinances of the Town adopted March 12, 1929 were amended to regulate the height and construction of new buildings and the location of garages, filling stations or any blacksmith shop, contractor's yard, junk yard, sand or gravel pit, lumber, fuel or ice establishment, laundry, stone mason's yard, hospital, cemetery or manufacturing plant. Full text of the amendments are in the Town Records.

Article 19. The request for a sewer on Mason Road and King Street was voted down.

Article 20. The sum of $2000 was raised and appropriated for the purpose of rebuilding South Street from the Fitchburg railroad crossing to state highway line. Money to be used at the discretion of the Selectmen and W. P. A. labor to be employed if Federal aid granted. Recommended gravel road and two coats of tar.

Article 21. A motion was made that this article regarding the appointment of Road Agent by the Selectmen be dismissed. This motion was carried.

Article 22. To see if the Town will appropriate the sum of $100 to install a shower bath in the anteroom of the Banquet Hall, was dismissed as inexpedient to carry out.

Article 23. A motion was made by Dr. Jasper asking for an appropriation of $75.00 for the purpose of purchasing Life Saving Apparatus for use on Railroad Pond. This motion was carried.

The report of the History Committee, appointed April 27, 1931 was accepted and adopted and at the request of said committee they were discharged and the unexpended balance of the appropriation was returned to the Town Treasury.

A Resolution asking that a committee of three voters, to be known as a Publicity Committee with the purpose of preparing a plan to advertise the Town and its attractions, be appointed by the Moderator. This Committee to report their recommendations at the next annual meeting. They to work without compensation or expense to the Town. The Resolution was accepted and adopted. A. B. Rotch, J. F. Hanlon and E. M. Stickney were later appointed as Publicity Committee.

A Resolution asking that all common labor under the Highway, Water and Sewer Departments, Cemeteries, Parks and Playgrounds, receive a minimum wage of fifty cents an hour, was presented. This was accepted and adopted.

Meeting adjourned at 1:40 P. M. Total vote cast 853.

Respectfully submitted,
DONALD C. BRUCE,
Town Clerk.

Report of Cemetery Trustees

The cemeteries have had all the care possible under the increased wage ordinance passed last Town Meeting. And we believe that they are in a satisfactory condition. We are asking the same amount be raised this year.

In the case of the Perpetual Care lots, the small return from the funds and the cost of labor has made it necessary to practice the utmost economy in the care of lots. Until some way is found by which the returns from the funds are increased or the cost of labor reduced there can be only a limited amount of care given the lots.

J. THORNE YOUNG,
RODNEY C. WOODMAN,
LEON L. JUNKINS,
Cemetery Trustees.

SEXTON'S REPORT

For the Year Ending January 31, 1938

Your Sexton of Cemeteries for the year 1937 feels that not as much has been accomplished in our cemeteries as we would like, owing to financial conditions of the town and increased labor wages.

Briefly outlining a few of the improvements in the cemeteries I migh say: Several decayed chestnut posts have been replaced with new ones at the Riverside Cemetery; the trees in the West Street and Riverside Cemeteries have been trimmed; the gate at the North Yard Cemetery has been painted, which was badly needed.

The question of the amount of money needed for the perpetual care of lots is something to be considered. The interest on invested funds for the perpetual care of lots is so small that it requires the full return to keep the lots mowed and until the interest rates are increased there is nothing left for special care.

Respectfully submitted,
ANTIMO CARPENTIERI,
Sexton.

Cash on hand February 1, 1938		4 05
		$7726 67

The story of relief is about the same as that of last year. There is another small reduction from that of last year; the regular relief costing less and the soldiers' aid more. A large part of the Town cases are people that are unemployable and therefore will continue to receive relief.

On June first the settlement law of 1933 will become effective and by a decision of the Attorney General all cases that have received relief at any time since 1933 will become County cases. Only those applying after June first will have a Town settlement; so that for a time there will be only a very few Town cases.

The Sewing Project continued until July 1, 1937, and was a great help in reducing the relief cost to the Town.

LEON L. JUNKINS,
Overseer of the Poor.

Report of O. W. Lull Memorial Fund Committee

To the Town of Milford:

Your committee to consider the condition and prospects of the O. W. Lull Memorial Fund beg leave to report as follows:

This committee is acting under a resolution adopted at the Town Meeting of 1935, instructing it to consider the O. W. Lull Memorial Fund and make report.

The committee made a somewhat detailed report to the Town at the Town Meeting of 1936, suggesting the advisability of securing from the court an interpretation of the will establishing the fund, as to whether it would be proper to establish in connection with the library building to be at some future time erected a room or hall dedicated to the memory of O. W. Lull, using such part of the money in the fund as might be needed, and such balance as might remain being used for the maintenance of the room; and further, as to whether it would be proper to sell a part of the real estate in the fund to add to other funds held in securities.

At the last Town Meeting the committee reported the matter was under advisement by the court, which would later make decision.

The decision of the court has been rendered and is in the form of an order "Permitting the said Town of Milford to sell and dispose of said real estate, reserving a portion thereof as a permanent memorial to the said Col. O. W. Lull, and that the funds derived from the sale of said real estate may be added to the other assets of said O. W. Lull Memorial Trust Fund and at such time as a suitable building is erected that a room be set apart in said building to be known as the Col. O. W. Lull Memorial Room or Hall, to contain the relics and mementoes of said

Col. O. W. Lull," and ordering the town to receive reports of the fund at each annual Town Meeting.

Your committee is of the opinion that when the town shall be in position to proceed to definite plans relative to a library building, then it should be determined by vote in Town Meeting whether it is desirable to act within the permission given.

We recommend the continuation of the committee.

H. S. HUTCHINSON,
C. S. EMERSON,
A. H. CALDWELL.

Report of Parks and Playgrounds Commission

Harland H. Holt	Term	expires	1938
Daniel D. Steele	"	"	1939
Daisy E. Stickney	"	"	1939
Carl W. Talbot	"	"	1940
Anthony J. Rossi	"	"	1940

The attached treasurer's report shows that the current year has been one of the busiest in the history of the Parks and Playgrounds Commission.

The playground equipment has grown old enough to require almost constant attention in order to avoid accident to the children. During three-quarters of a year there is work to be done on the Oval and there were extras this season. We were fortunate in having the assistance of a group of the National Youth Administration boys to lessen the estimated expense of repairs and painting of the settees.

The Pillsbury Memorial bandstand was newly painted and the trees cared for as usual. With most of their ground surface covered by the highway the trees need feeding every year to keep them healthy enough to ward off disease.

At Shepard Park the flag pole was painted and the much needed new rope and windlass provided.

Endicott Park, it happens, has ever been the place best adapted to WPA project work in Milford. It is largely under the supervision of the Federal men in charge but they follow somewhat our local plans and ideas. The extensive grading has been continued and there is much more to do. We could have accomplished a great deal more if we had had more funds at our disposal.

An effort was made to establish the long-talked-of skating rink, and following the first experiment

it was actually used. Due to the lack of the water line (out of repair) it was not possible to build up the rink by repeated spraying. Water from the river was pumped in several times but due to seepage through the newly filled ground did not prove satisfactory. Fortunately there was plenty of natural skating elsewhere. Another time, with better water facilities, it is hoped results will be more favorable and a larger area can be successfully flooded. With the splendid cooperation of volunteers at East Milford a skating rink was maintained at Shepard Park. If it can be leveled this coming year, it should prove an excellent place for recreational activities including a skating rink.

A new score board and back stop for the baseball field at Endicott Park should be considered for next season.

Respectfully submitted,

DAISY E. STICKNEY, Secretary.

HARLAND H. HOLT, President.

Report of Highway Agent

Major improvements over and above the regular maintenance of highways include oiling of Oak Street from Willow to Smith Streets; Dean Street, Orange Street, and Lincoln Street. These streets are under Class 4 roads. Also under Class 4 roads we constructed School Street; Maple Street; Knight Street; and Berry Court.

Under Class 5 roads we graded and oiled Federal Hill, Lovejoy Hill, Carlander's Hill, Woodward's Hill, and Rattlesnake Hill.

There were over 13,000 feet of road gravelled from eight feet to 12 feet wide.

The gravel at bridge at Fitch's Corner was washed away twice during the year and had to be repaired, due to high water.

Railroad crossing at Fitchburg station was rebuilt and paved.

Several new culverts have been installed during the summer in advantageous locations.

Ashes have been collected during the heating season and due to the icy conditions we have spread more sand on sidewalks and streets than ever.

This is the first time we have had enough snow to try out the new tractor and find that it does a first class job with little expense as compared with the old method of removing snow from the highways. This is true more in the outlying district although the tractor does a good job of pushing the snow to the outside of the roads in the village.

The Jud Hall road was in such condition that your department worked three weeks steady on this road and it is still far from being in good condition. It is the opinion of your Agent that those special construction jobs should have a special appropriation to cover the extra expenditures needed on such

work. In order to complete this work during the coming year it will be necessary to spend about $200.00 and your Agent recommends that this sum be raised and appropriated to cover this special work.

CHARLES H. GAULT,
Highway Agent.

National Youth Administration Report

During the early part of 1937 more youths applied for admittance in the N. Y. A. than could be accepted. Eric Hare of Amherst was granted Supervisor and continued the work until December 31. Under his supervision cleaning was done in Milford Town Hall, seats were painted and repaired on the Oval, spring raking, making new lawns and cleaning at Home for the Aged. Spring work and lawns mowed at Community House. A girl was furnished for dental clinic work, two girls have been on duty at the nursery school since it started, one girl is at the Farm Bureau office, two girls at the Home for Aged, and one girl at the Red Cross office.

Milford is now working under a different status, so will be unable to do the Spring clean-up jobs the coming year.

We now operate under three projects: Parks and Playgrounds, Nursery School, and Farm Bureau Office. Our quota of youths enrolled at present is small as most of the former ones are privately employed. Between twelve and fifteen hundred dollars have been paid these youths from government funds for their labor.

Financial Report

At the beginning of our fiscal year we had cash on hand	$ 99 97	
Received from Town of Milford	200 00	
		$299 97

Disbursements

The County Stores, for paint and hardware to repair seats on Oval	$10 80

Warren H. Chase, for lumber for the above	1 50	
		12 30
Cash on hand		$287 67

Respectfully submitted,
MINNIE W. FALCONER,
Treasurer.

Report of the Town Planning Board

During the past year the Planning Board has held its regular meetings the first Tuesday of each month in the Police Court Room in the Town House. The meetings of the Board as well as their records are always open to the public.

The map of the street layout and house locations of the village area has been completed. Blueprints of this map are on sale, at a nominal fee, in the office of the Water Department.

The Industrial committee of this board has obtained drawings and blueprints through the courtesy of Mr. A. A. Murray, Superintendent of the Public Service Company and Chairman of the Industrial committee of the Civic Club, and blueprints of all vacant plants have been supplied the State Planning and Development Commission. All prospects have been visited personally or communicated with if at too great a distance, but applicants to date require too great a financial assistance to warrant further consideration. We are in communication with several at the present time and believe that eventually an industry of real value to Milford can be obtained.

The real industrial progress in Milford this past year has been the reorganization of the Bourn and Woodward Company, now the Souhegan Manufacturing Company, located at the "Spring Plant" on Elm Street. With new financial backing and employing all local men this plant has a future which should be a great help to this community.

This committee has constantly in mind that our own present industries should have first consideration at all times and that any assistance given should be directed to them rather than to others.

For the months of December and January the

board secured the technical assistance of Earl D. Fraser to undertake some studies essential to the development of a comprehensive town plan. A resume of these studies is given here as a matter of public record.

Land Use Survey

areas	approximate acres	%
Retail Business	7	0.1
Water	35	0.2
Public and Semi-Public	53	0.3
Roads and Streets	280	1.8
Manufacturing	540	3.7
Residential	1470	9.3
Farm, Forest and Vacant	13365	84.6
Town Area (according to the Town History)	15,750	100.0

Conditions of land use are about normal for towns in this region. There is no segregation of single and two family dwellings into distinct districts. The retail businesses are quite compactly located except for automobile service stations which tend to form a ribbon development along the highways. The grouping of the manufacturing plants along the railroad and at power sites has made these areas fairly compact. The preparation of a land use plan will necessarily recognize the fact that some uses of land group themselves around others.

Although the village area covers only about 1/10th of the area of the town it is the home of 7/10ths of the population.

Soil Survey

The U. S. Bureau of Soils has prepared a soil type map that includes the Town of Milford. The

following figures are compiled from a study of that survey.

soil type	approximate acres	%
Sandy	490	3.1
Meadow, Swamp	700	4.4
Sandy Loam	2970	18.8
Stony Loam	4820	30.6
Rough Stony	6735	42.9
Water (data N. H. State Plan. Bd. Re.)	35	0.2
	15,750	100.0

Most of the village is located on what was good farm land. Most of the good soils, outside of the village area, are in agricultural use. The distribution of the rural population closely follows good soil types.

Statistics

Agricultural Committee of Planning Board 1937

Type of farm	number	valuation
Dairy	26	$114,200
Fruit	5	17,900
Dairy and Fruit	5	19,000
Dairy and Potatoes	1	5,500
Poultry	12	35,600
Poultry and Dairy	9	38,300
Poultry and Fruit	5	16,300
Dairy, Poultry and Fruit	9	34,150
Unoccupied	3	7,700
Summer Residents	9	38,100
Unproductive	29	78,400
	113	$405,150

The average Milford "farm", as defined by the U. S. Census, is a little smaller than the state average, although it is slightly better developed and more valuable than the state average.

A study of the retail business figures of the census, showed that the enterprises in Milford were about normal for this region except in connection with the automotive field, where there were a larger than normal number of establishments.

Water and Sewage

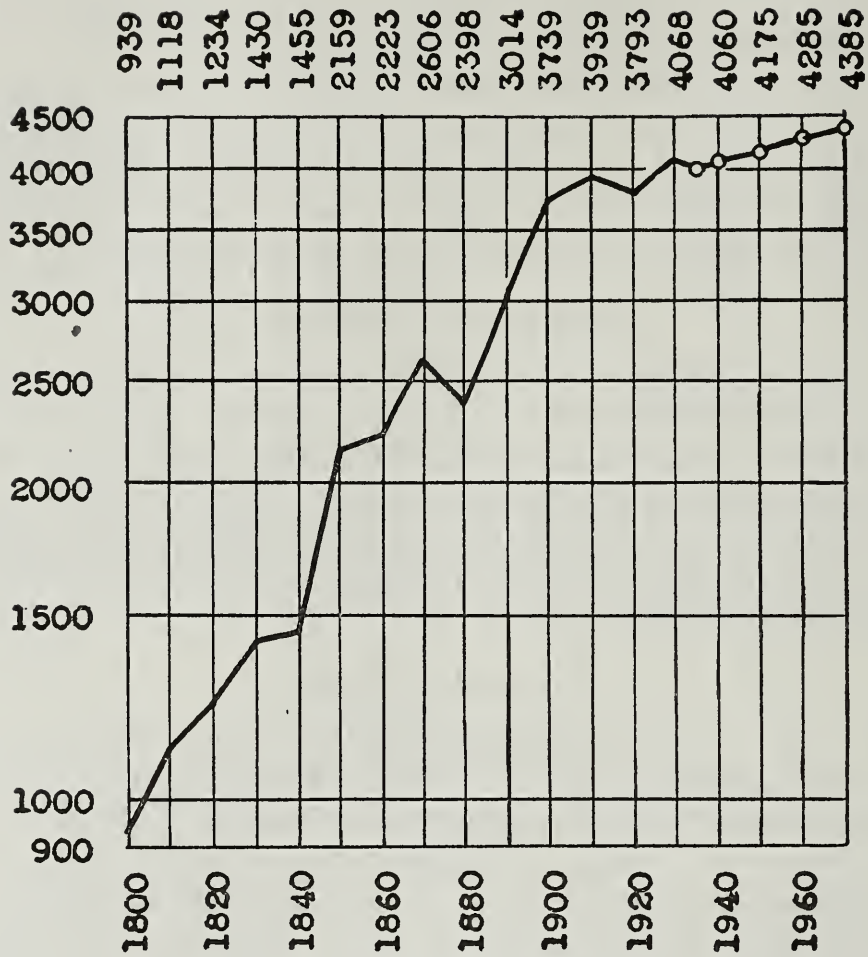
The Milford Water Department furnished data on the town's water and sewer mains. Service extends to practically all of the village area but adequate storm sewers are lacking in some sections. The need is also felt for a survey to investigate the various possibilities of type, location, and cost of sewage treatment plant.

Population Study

The accompanying illustration shows the population growth of Milford from 1800 to 1930 according to the U. S. Census figures. From a study of the number of chidren in school, the annual census of children from 5-16 years of age, the poll tax levies, and the vital statistics it was calculated that the population of the town dropped to 4000 by the year 1935. Most of this loss, from a count of 4068 in 1930, has been in the age group of people over 50. This group was an abnormally large portion of the total population in 1930. With the calculation for 1935 as a starting point and the assumption that the character of the town for the next generation would be similar to what it has been for the last one, population estimates for the years 1940 (4060), 1950 (4175), 1960 (4285), and 1970 (4385) were made.

This population forecast is one of the first elements in the comprehensive town plan to be com-

POPULATION GROWTH



pleted. Continuation of the town map and preparation of a land use plan are important parts of the planning board's program for the coming year.

MILFORD FREE LIBRARY

REPORT OF THE TRUSTEES

To the Citizens of the Town of Milford:

The Trustees of the Milford Free Library submit herewith their annual report, together with the report of the librarian.

At the annual meeting of the trustees on April 12, 1937, Harland Holt was elected chairman; Benjamin F. Prescott, treasurer; Ruth D. French, secretary. Miss Annabell Secombe was re-elected librarian, and Miss Alice Ames assistant librarian.

The reading committee chosen was Miss Ella Powers, Mrs. Louise Broughton, Mrs. Louise Powers, Miss Margaret Howison, Mr. F. W. Sawyer, Mr. Edward I. Erickson, Mrs. Harland H. Holt.

The trustees recommend that the sum of $2850.00 be appropriated for the use of the Milford Free Library.

Respectfully submitted,

BENJAMIN F. PRESCOTT,
HARLAND H. HOLT,
RUTH D. FRENCH.

REPORT OF THE LIBRARIAN

To the Trustees of the Milford Free Library:

I herewith submit the annual report of the Milford Free Library for the year ending January 31, 1938.

No great changes have come to our library the last year. The struggle to accommodate our increasing book collection to the quarters provided is becoming more difficult, as we outgrew the present building many years ago.

The scarcity and worn condition of the chairs made it necessary to take some of the money usually spent for books to buy new.

Miss Ames is building up a picture collection which will be very useful, especially with the schools. There is no place to keep them and a filing cabinet is much needed.

The most important reference work added to the library was eight volumes of the Encyclopaedia of Social Sciences.

The work of the library for the past year will be found in the following statistics.

Respectfully,
ANNABELL C. SECOMBE,
Librarian.

REPORT OF LIBRARY SITE COMMITTEE

To the Town of Milford:

Your committee appointed to suggest a site for the erection of a new library building beg leave to report as follows:

The committee is of opinion that no recommendation relative to a site should be made until prospects of building are nearer at hand than at present.

The balance of the appropriation of $500 made by the town for the expenses of the committee, being now $469.03, is on deposit in the savings department of the Souhegan National Bank.

We recommend the committee be continued.

Report of Water Commissioners

To the Citizens of the Town of Milford:

The Board of Water Commissioners herewith submit their report for the year ending December 31st, 1937, together with financial report of the Treasurer.

During the year the Board held twelve regular and six special meetings.

At the January meeting it was voted to purchase a new safe. This was bought from the Mosler Safe Company of Boston, who removed the old safe to the pumping station, without cost.

In May we had two petitions presented for the extension of the water mains, namely: Border Street to the Holt house and on Nashua Street to the Amherst town line. These extensions were financed with the revenue of the water department, but owing to these expenditures, we were unable to pay off the two thousand dollar short term notes, carried over from last year.

Respectfully submitted,

FRED E. COOLEY,
KITT K. STIMSON,
RALPH J. GAINEY,
Water Commissioners.

REPORT OF SUPERINTENDENT

To the Board of Water Commissioners, I hereby submit a report of the Water Department for the year ending December 31, 1937.

The major activities have been confined to extensions, namely: 900 feet on Nashua Street to the Amherst town line and 1600 feet on Border Street, in the Town of Amherst. Three hydrants have been added to the system; one on Nashua Street at the Amherst town line and two on Border Street, charged to the Town of Amherst.

We have had the usual number of small leaks and three hydrants broken by automobiles during the year.

In excavating Endicott Park for the new skating rink they uncovered our twelve-inch pipe which crosses the Souhegan River at this point, leaving only a three foot cover in some places. This pipe should be lowered the coming year to protect it from frost.

I have always advocated that should for any cause, the sprinkler system open up in any of the factories, our water system would be inadequate to maintain a normal pressure in the mains. We had an example of this the past year. Through some mistake in order to drain the sprinkler system in one of the factories, the wrong valves were opened, allowing approximately 1,000 gallons per minute to escape through the drain valve for a period of two hours. During this time with our pumps running at their full capacity the standpipe lowered about ten feet, which in turn lowered the pressure at some points as much as fifty pounds. In case this should happen at a time when the engineer was not at the station to operate the pumps, the standpipe would be emptied in six hours.

Our No. 1 Pump which has been in service 365 days each year for nineteen years is beginning to show signs of wear and should be overhauled for repairs and replacements. I would hesitate to dismantle this pump for the necessary repairs leaving nothing to run in its place, but the gasoline standby unit. I suggest installing a duplicate unit in conjunction with the No. 1 pump and strongly recommend this pump be driven with a Diesel engine instead of an electric motor.

I would call your attention to the average daily pumpage for the year of 201,000 (plus) gallons. With our inadequate storage facilities for a plant of this size, this means in order to keep the standpipe full the pumps have to be operated at night during the peak consumption, and will necessitate, in the very near future, a full time night man at the pumping station.

We still have 125 meters to purchase before the system is metered 100%.

Respectfully submitted,

R. F. CAMPBELL,

Superintendent.

FRED E. COOLEY,
Treasurer.

REPORT OF SUPERINTENDENT OF SEWERS

To the Honorable Board of Selectmen:

The activities of this department during the past year have been confined largely to the construction of a storm sewer on Union Street.

Before this sewer was fully completed, we had two of the heaviest rainstorms in years and even in this uncompleted condition it was capable of taking care of the surface water in a very satisfactory manner. This was not only on Union Street, but it also relieved the conditions on South and Lincoln Streets.

The over run on sewer construction can be attributed to two items which did not carry an appropriation, namely: the 25% increase in wages voted at the last Town Meeting, and the construction of a main sewer extension on Summer Street, which was put through a solid ledge.

The main sewer in the Pine Valley District is still giving trouble and will have to be relaid in the near future.

We are submitting for your approval two separate estimates for storm sewers in different parts of the town, where the surface water is causing considerable damage in cellars. It is our opinion that at least one, if not both of these sewers should be installed this coming year.

We are asking for the usual appropriation of $300.00 for sewer construction and $600.00 for sewer maintenance.

For detailed expenditures, see Selectmen's report on sewer construction and maintenance.

Respectfully submitted,

R. F. CAMPBELL,

Superintendent.

Report of Police Department

To the Honorable Board of Selectmen, Town of Milford:

I hereby submit my annual report of the Milford Police Department from January 31, 1937 to January 31, 1938.

Total number of arrests		55
As follows:		
Motor vehicle violations, including driving under the influence of liquor	12	
Drunkenness	25	
Assault	4

Justice.

Report of Booklet Committee

Last year the town voted to appoint a committee to investigate and report on some kind of booklet, folder or pamphlet to advertise the advantages of Milford. No appropriation of money was made. Subsequently the moderator appointed the undersigned on the Booklet Committee.

Milford Civic club has a committee for the same purpose, and has pledges of financial support for the printing and distribution of a Milford folder.

During the summer a few photographs were assembled that would be suitable for use in an advertising booklet. It seemed to the committee that no folder should be printed until pictures can be included showing recent changes in Union square. Such pictures can not be obtained until the coming spring or summer.

Another matter yet to be determined is whether or not the proposed folder should contain pictures and descriptive matter of historic and beautiful places in this immediate region, but outside the limits of Milford.

Little has been accomplished, but it is our hope and expectation that the committee appointed by the town may be of help to the Civic club in preparing and distributing a folder this year that will be of value to this community.

Respectfully submitted,

A. B. ROTCH,
J. F. HANLON,
E. M. STICKNEY.

Report of the Trust Funds of the Town of Milford, N. H., on January 31, 1938.

Amount to be raised by taxation for budget and appropriations		$53,353 00

AARON W. WILKINS,
Clerk of the School District.

March 9, 1937.

$200 of the $53,353 was paid to School Treasurer before July 1, 1937.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board of Milford:

I herewith submit my nineteenth annual report which is the thirty-third in the series of such reports.

Supervisory School Union No. 40

The School Districts in the Union are Amherst, Brookline, Hollis, Milford, and Mont Vernon. Hollis came into the Union July 1, 1933.

The several School Boards of a Supervisory Union together constitute a joint committee which meets annually between April 1st and June 1st at a time and place fixed by the Chairman of this joint committee. This committee organizes and chooses a Chairman, Secretary, and Treasurer. At the present time Mr. Francis C. Reagan of Mont Vernon is Chairman, Mrs. Jennie S. Fessenden of Brookline is Secretary, and Mr. Raymond A. Dyer of Milford the Treasurer. This joint Board nominates a Superintendent of Schools, fixes his salary and apportions the salary among the several districts. A Union may add such amount as they determine to the minimum amount paid by the state which at present is $2000. The additional amount voted by the Union for the current year ending June 30, 1938 is $1600. This is divided among the several districts as follows: Amherst 17%, Brookline 8%, Hollis 14%, Milford 56%, and Mont Vernon 5%.

This joint committee also has authorized the employment of a clerk in the Superintendent's office. For salary of clerk and other office expenses the Union has appropriated $890, distributed as follows: Amherst $151.30, Brookline $71.20, Hollis $124.60, Milford $498.40, and Mont Vernon $44.50.

In nominating a Superintendent of Schools each district is entitled to three representatives having

one vote each on the joint Board. Each district employing more than eight full-time teachers is entitled to one additional vote for each five teachers or major part in excess of eight, hence, each district has three votes and Milford four additional.

Teachers and Schools

High School

Grades VII-XII are in the High School building with complete departmentalization of instruction. Seventeen teachers are employed including the Headmaster. The following changes have occurred since last year: Miss Elizabeth Langdon of Jamaica Plain, Massachusetts, a graduate of Boston University in 1937, replaced Miss Nelson who declined re-election to accept a commercial position in Whitefield, New Hampshire, High School at a large increase in salary. In the Domestic Arts department, Miss Florence Langley, a graduate of Simmons College and with nine years experience, replaced Miss Smith who left school work last June to enter the employ of the Public Service Company of New Hampshire in the Home Service Department. Miss Myrtle Savory, a graduate of the Normal Music Course at Boston University in 1937, replaced Miss Heinrich who, after three very successful years in Milford, now has charge of vocal music in the public schools of Burlington, Vermont. This position offered Miss Heinrich a decided advance professionally and financially. Mr. Gilbert Wyman of Keene, a graduate of Keene Normal School in 1936, is the new teacher in the Mechanic Arts Department. He replaced Mr. DeVittori who is now teaching at Lebanon, Maine.

Elementary Building

One change only has taken place. Miss Helen C. Draper, who has had many years of experience,

the last six of which have been in Mont Vernon, has replaced Miss Hill in Grade VI.

Rural Schools

Laurel School and Pine Valley School continue as for several years. They might more clearly be called suburban schools as Laurel has grades I-II-III only and Pine Valley I-II-III-IV. Both of these buildings are modern with respect to lighting and equipment. They are still heated with wood-burning jacketed stoves which result in good heat distribution. Laurel school is near enough to the Elementary Building in the village for practically all children to walk to the central school. It would be a decided advantage for all children concerned to close this school and reopen the twelfth room at the Elementary Building, thus providing two rooms for each of grades I-VI and having no combination of grades in any room in the Elementary Building. It is not as feasible to close Pine Valley school as much transportation would be involved although there is room enough in the Elementary Building to take care of all the Pine Valley pupils. Two other one-room buildings are still owned by the district—the North School which is now used by the local community as a club house, and Osgood School which has not been used since 1935-1936. The books, fuel, supplies, and movable furniture have been removed from the Osgood School and placed in use in other schools. It is very improbable that this building will be used again for school purposes.

The Shedd schoolhouse was sold for $100 in 1921-1922 and torn down, the lumber being used to erect a dwelling house at the village.

Federal Hill schoolhouse and land was sold at auction and has since been used as a summer residence. It was last used for school purposes in 1923-1924.

Salaries

A careful study of teachers' salaries in New Hampshire schools, especially in schools of our size, indicates very clearly that there is a decided need to increase teachers' salaries, especially for High School teachers, if we expect to have our instruction at the level it should be. A High School the size of Milford should not have to employ inexperienced teachers but in recent years this has usually been the case. Some of our strong teachers have not stayed with us because of larger salaries offered in other schools no larger than ours and in some cases much smaller. Teachers have often made such changes for financial reasons only when in fact the opportunities for professional advancement and improvement have not been as good as in our own schools. The key to a strong educational system is the teacher. And the objectives which strong teachers accomplish are well expressed by Angelo Patri who has said: "I would like to teach every child in the schools, every student in the colleges, every worker in apprenticeship, to study to perfect themselves physically, mentally, morally, through their chosen work. That is their business. It is also the business of their elders. The first step forward in any cause begins with the perfection of the individual, within his own soul."

Transportation

The state law requires that all pupils in grades I-VIII inclusive who live more than two miles from the school to which assigned are to be transported. The following routes are now in operation: Mr. Harris Daniels has a double route and operates a regular school bus. First he goes to Pine Valley canal bridge and returns to the village schools via Fitch's Corner and North River Road with thirty-five pupils. He then goes to Colburn's Corner at the Brookline

road and with a side trip to the foot of Federal Hill returns to the village via South Street with thirty-one pupils. Mr. Von Iderstine, who lives near the old Ponemah Hotel, brings in eight children. Mr. Elmer MacKenzie brings in two children from Ball Hill section. Mr. Cyrus Wolffer has a route with nine children from the former Shedd area. Contracts for all of the above routes amount to $2525.

Nursery School

Approval for the establishment of a nursery school was voiced at the annual district meeting in March 1937 and $200 was raised and appropriated to assist in starting and maintaining the same. The school was opened in the vacant room at the Elementary Building on April 26 with a registration of thirty children—all under regular school age—and has remained in session since, including the summer months. Fifty-eight different children have been enrolled with an average attendance of only eighteen due to epidemics of whooping cough and measles.

Federal funds have been available for paying the salaries of the staff which is comprised of a head teacher, assistant teacher, and a nurse who also acts as cook. Mrs. George Steele is head teacher, Mrs. Frances Tremblay assistant teacher, and Miss Mary Walsh nurse and cook. Mrs. Wurdeman was nurse and cook until August 1. Also Federal funds have provided food for the children's mid-morning lunch and noon meal at the allowance rate of 12c per child per day. Since January 1, 1938 this allowance has been reduced to 6c and the requirement made that local funds must provide the other 6c. A further Federal allowance of $10 per month for equipment has been used for instruction and kitchen materials.

The $200 of district money was used for initial equipment such as tables, chairs, dishes, blankets,

etc., and since January 1 for one-half of the food. At the present rate this money will be used up by the middle of April.

In addition to the funds above mentioned, there have been many contributions of clothing, equipment, toys, and food—especiall fruit and vegetables —from organizations and individuals. All these have been gratefully received.

The program of the school has been very successful. It provides a daily health inspection of each child by the nurse, directed work and play periods, lunch and rest periods, dinner at noon, and two hours of sleep after dinner. The children, whom circumstances have deprived of many privileges, have had a chance to work and play together under an ordered and balanced plan and have shown marked improvement in most cases. The staff is efficient and faithful, having put in many more hours than are required—for example, well over a hundred home visits have been made and many conferences with parents have been held.

The continuance of this project will depend on whether the District considers it wise to raise and appropriate money for this purpose.

Adult Education

The correspondence center at Milford has been continued with Mr. Albert N. French of Durham still in charge. The enrollment is about 180 with courses in a wide variety of subjects from the very practical to the strictly academic. All materials are furnished without cost to the enrollee. Mr. French comes to Milford each Tuesday and is available during the afternoon and evening for conferences. He also visits the sub-centers which he has set up at Hollis, Brookline, and Wilton. In addition to the home study courses, lecture series are available. One series on Sociology has been completed in Hollis

and another on World Literature is now in progress there. For further information consult Mr. French or the Superintendent of Schools.

Repairs, Equipment and Needs

Since a year ago the following things have been done:

1. Installation of electric stoves in the Domestic Arts Department at the High School.

2. Completion of new electric light fixtures in the High School study hall.

3. Continuation of weather stripping at the High School building.

4. A small amount of interior painting at the High School.

5. Resetting of one section of metal fence at the Elementary Building which now completes the new fence on three sides.

6. Purchase of additional equipment in Mechanic Arts

7. Purchase of a radio victrola for the Elementary Building. Money for this was provided from the proceeds of the elementary musical entertainment held May 21, 1937.

8. Microscopes for the laboratory. Seven instruments were bought on approval and three were kept. The remaining four were sold to other schools rather than returned to the companies. Details will be found in the financial report.

Needs are as follows:

1. A new heating plant at the High School.

2. Renewal of corridor floors at the High School.

3. Plumbing repairs in the laboratory.

4. Completion of weather stripping at the High School.

5. Further interior painting at High School and Elementary Building.

6. Purchase of office equipment for commercial department.

7. An auditorium-gymnasium at the High School.

The Classroom Teacher

Mr. Daniel W. MacLean of Berlin, President of the New Hampshire State Teachers' Association, has recently written:

" . . . The world, since early dawn, has produced great teachers whose influence has brought about great changes in our political, social, and economic life. In this great rush of the machine age in which we now live, the importance of the classroom teacher, in a great many cases, is lost sight of . . . The classroom teacher, with all the added duties as a result of the constant change in the home life of the children under her direction, new courses of study, extra-curricula activities, and advanced professional study, has met the challenge this age presents to her and is still the paramount factor in whatever situation the school finds itself. Through her wisdom and good judgment, she has chosen wisely the means best adapted to give the young people placed under her direction the culture and subject matter required to fit them for the problems of life that they must inevitably face."

Respectfully submitted,
HAROLD C. BALES,
Superintendent.

January 28, 1938.

General Statistics for School Year 1936-1937

Number of different pupils registered during year: boys 423; girls 428; total 851*

Enrollment by grades: I-73; II-71; III-73; IV-65; V-72; VI-86; VII-72; VIII-75; IX-81; X-77; XI-65; XII-39; P. G. 2; total 851*

*Of these 27 had previously attended school elsewhere in New Hampshire during year

REPORT OF HEADMASTER OF HIGH SCHOOL

To Mr. Harold C. Bales, Superintendent of Schools, Milford, New Hampshire:

I herewith submit my third annual report as Headmaster of Milford High School.

Enrollment

The total enrollment through January 31, 1938 was 423, as compared with 403 for the same period last year and 398 two years ago. From the following tables one can see that our enrollment this year is the largest in the history of the school. We expect to graduate the largest senior class ever. Succeeding senior classes for the next few years will be almost as large as the present one. The membership January 31, 1938, was 403, while at the same date last year it was 378. Of the enrollment January 31, 1938, 208 were girls and 195 were boys, distributed according to age and grade as follows:

ENROLLMENT AND AGE-GRADE TABLE

Ages		7	8	9	10	11	12	Tot.
10-11	Girls	1						1
	Boys							
11-12	Girls

Comparison of Size of Graduating Classes for 20 Years

1938-61	1928-41
1937-37	1927-36
1936-35	1926-43
1935-43	1925-36
1934-49	1924-41
1933-43	1923-33
1932-48	1922-17
1931-43	1921-25
1930-44	1920-31
1929-35	1919-21

Tuition Pupils 1937-1938

On January 31, 1938 there were 64 tuition pupils as compared with 64 at that time last year, 55 two years ago, and 53 three years ago. They were distributed by grades and towns as follows:

By grades: VII, 9; VIII, 2; IX, 13; X, 12; XI, 16; XII, 12. Total 64.

By towns: Amherst 5, Mont Vernon 19, Brookline 18, Greenville 12, Lyndeboro 10. Total 64.

Enrollment by Curricula

For grades IX-XII the enrollment by curricula as of January 31, 1938 was as follows:

Grades	IX	X	XI	XII	Totals
Commercial—Girls	14	16	16	11	57
Boys	3	1	2		6
Academic—Girls	8	8	8	13	37
Boys	3	4	3	3	13
Mechanic Arts—Boys	26	20	13	8	67
General—Girls	14	2	13	17	46
Boys	9	6	10	9	34
Totals	77	57	65	61	260

The above table shows that 24% of the pupils of grades IX-XII are in the commercial curriculum, 19% are in the academic curriculum, 26% are in the mechanic arts curriculum, and 31% are in the general curriculum.

It may also be seen that of the 122 boys of grades IX-XII, 55% of them are enrolled in the mechanic arts curriculum. This percentage does not take into consideration the other 15 boys who are enrolled in the other curricula but take mechanic arts as an extra subject.

Activities February 1936 to February 1937

Operetta

On Friday, April 9, 1937 a matinee and evening performance of "Pinafore" was presented by the musical units of Milford High. Much of the success of the fine performance was due to the leadership of Miss Kathryn Heinrich. Besides being a financial success the presentation reflected great credit upon those who took part as well as the school they represented. Miss Dorothy Jones was the accompanist.

Prize Speaking

The twenty-first annual Kaley prize speaking contest was presented in the town hall on Friday evening, April 23, 1937. The bequest of $5000 left by General Frank E. Kaley and accepted by vote of the town at the annual meeting on March 9, 1937 assures the future of public speaking in the schools of Milford. The income of the fund is to be used for the purpose of the promotion of such activities. The trustees of the trust funds of the town have received this generous contribution and, under the terms of the bequest, they are to pay the annual income directly to the Milford School District.

As usual eight speakers, four girls and four boys, were selected from the entire Sophomore Class who participated in the preliminary contest. Those who were selected were Norma Frost, Caroline French, Mildred Ray Greene, Mary Peavey, Kenneth Dickerman, John Gibbons, Ellsworth Howard, and Charles Prestipino. First prizes of eight dollars each were won by Mary Peavey and Kenneth Dickerman. Caroline French and John Gibbons were awarded second prizes of four dollars each. Each of the other contestants received two dollars.

Miss Flora Abbiati, of the High School staff, was chiefly responsible for the success of the affair. She was assisted by the other English teachers of the school.

The judges were Mrs. Elizabeth Colby Morrill of Manchester, Mr. Charles Tracey of Amherst, and Mr. Anthony Golembeske of Mont Vernon.

Senior Class Trip

Thirty-six members of the Senior Class with Miss Flora Abbiati, class adviser, and Mr. Wilfred Poirier as chaperones left Milford Tuesday morning, April 27, 1937 for a four day trip to New York City. The Prince George Hotel was the center of activities and

visits were made to the various points of interest in and around the metropolis.

Scholarship Day

The Ninth Annual Scholarship Day under the auspices of the State Department of Education was held on May 1st, 1937. The various high schools of the state sent delegates to the normal schools at Plymouth and Keene. There tests were taken by teams of three pupils from each school.

Milford High School was represented at Keene Normal School by three teams. The spelling team was composed of Esther Hasu, Hazel Morgan, and Anita Perham; the algebra team was made up of Barbara Bishop, Andrew Elliott, and Roger Morse; while Lawrence Bales, Evelyn Carleton, and Helen Wallace represented the school in arithmetic.

Junior Prom

Milford Town Hall was the scene of a very successful Junior Promenade on May 7, 1937. Music for the occasion was furnished by the College Inn Orchestra of Durham, N. H. Miss Stella Smith, class adviser, was ably assisted by Mr. Carl W. Talbot and other members of the high school staff.

Sophomore Play

The class of 1939 presented two one-act plays on June 4, 1937, before a good sized audience in the High school Assembly Hall. The plays presented were "Sixty Miles an Hour" and the "Drawing Room Murder." Miss Dorothy Jones directed the efforts of the cast.

Spring Athletics

The Milford boys' baseball team was a member of the Monadnock Interscholastic Baseball League. Mr. Elliott W. Keach was coach of the team which finished in fifth position. Wilton High School won the title.

The girls of Milford High School engaged in soft ball under the guidance of Miss Dora Ames. This sport, which is new to the local school, is an excellent endeavor in the physical education program of the school. Games were played with Hollis, Amherst and Wilton.

Under the direction of Mr. Maurice Kalloch the boys of Milford High School became active and interested in track. After a few weeks of training a field day was held at Endicott Park. Entrants were present from Amherst, Antrim, Bennington, Milford, Peterboro, and Wilton High Schools. In the senior high school division Milford was the winner while Wilton High School won the Junior High Championship. Several boys took part in the Kiwanis meet in Concord in June.

Graduation Activities

Class Day Exercises of the Class of 1937 were held Wednesday, June 16, 1937 at Endicott Park before the entire school and many parents and friends.

Baccalaureate Exercises of the Senior Class were directed by Reverend Edwin B. Young at the Methodist Church on Sunday, June 20, 1937.

On the evening of Wednesday, June 23, 1937 diplomas were presented by Superintendent Harold C. Bales to the graduating class of thirty-seven members at the Town Hall. Honor parts were taken by Miss Anita Perham, valedictorian; Barbara Bishop, salutatorian; Evelyn Carleton, class history; and Roger Morse, class prophecy.

The names of the graduates and their present occupations follow:

Adams, Herbert	University of New Hampshire
Bales, Lawrence	Dartmouth College
Bergeron, Cecile	Working, West Roxbury, Mass.

Bishop, Barbara	Working, Newton, Mass.
Caldwell, Annette	Colby Junior Coll., New London
Carleton, Evelyn	N. H. School Accounting and Finance, Manchester
Carr, Richard	At Home
D'Amato, Antoinette	Tremont Beauty Shop, Nashua
Elliott, Andrew	University of New Hampshire
Fraser, Ronald	At Home
Goodale, Evelyn	N. H. School Accounting and Finance, Manchester
Hagar, Robert	Working, Amherst
Hasu, Esther	At Home
Jasper, Alan	Dartmouth College
Jewett, Robert	Wentworth Institute, Boston
Kittredge, Deborah	Miss Chamberlain's School, Boston
Luongo, Septima	Office, Public Service Co., Milford
Lynch, Muriel	Cashier, G. A. Jennison Co., Milford
Mahoney, Margaret	At Home
Maki, Miriam	Working, Maynard, Mass.
Merrill, Lois	Clerk, McLellan's Stores, Milford
Morgan, Hazel	St. Joseph's Hospital, Nashua
Morgan, Jane	Y. W. C. A. Sewing School, Boston
Morneau, Yolande	St. Joseph's Hospital, Nashua
Morse, Roger	Mass. Institute of Technology, Boston
O'Connell, Kenneth	At Home
Perham, Anita	Office, Carpet Mill, Greenfield
Rodier, Doris	Working, Greenville
Silva, Ruby	Working, Dorchester, Mass.
Sonn, David	At Home
Stickney, Hazel	New England Hospital, Boston
Tostevin, Harry	At Home
Wallace, Helen	Working, New Boston
Welch, Mildred	Burroughs Business School, Boston
Wirta, Onni	At Home
Wolffer, Wilfred	Keene Normal School
Woods, Pauline	St. Joseph's Hospital, Nashua

Marionette Show

Through the efforts of the Class of 1938 Tony Sarg's Marionettes gave two excellent performances before capacity audiences in the Town Hall on Saturday, October 9, 1937. The matinee program included "Robinson Crusoe" while the "Mikado" was presented in the evening. Miss Alice Herlihy, class adviser, directed the class efforts in her usual able manner.

Freshman Hallowe'en Party

The Annual Freshman Hallowe'en Party was given on Saturday evening, October 30, 1937, at the Red Men's Hall. Mr. James Romeo, class adviser, directed an evening of fun and gayety for the members of the Freshman class and their guests.

Senior Play

On Friday evening, November 10, 1937, the Senior class presented their annual play before a fair-sized audience at the Town Hall. "Addie Sails Away" was directed by Miss Dorothy Jones, assisted by Miss Alice F. Herlihy, class adviser.

Athletics

The football team was more successful during the past year than during the previous season. Much of the success was due to the efforts of Coach Maurice Kalloch, assisted by Mr. Elliott Keach.

A schedule of six games were played. Those won were with Woodbury High School of Salem, N. H., St. Joseph's High School of Manchester, and the Alumni. Franklin High School outclassed the local eleven but hard fought games were lost to Ayer, Massachusetts, High School and St. John's High School of Concord.

While the current basketball season is in full swing the boys' and girls' teams are again members of the six-school Monadnock League. The Milford

High School girls' team is as strong as any in the league and is making a determined fight for first place under the direction of Coach Dora Ames. The boys' team, under the guidance of Coach Elliott W. Keach, are giving a good account of themselves against all opponents.

Accordion Concert

The Junior Class of Milford High School, under the direction of Mr. Gilbert Wyman as class adviser, introduced Pietro Mordelia and his daughters to a responsive audience on January 14, 1938, at the Town Hall. This unusual program of piano-accordion, songs, and readings supplied an evening of wholesome entertainment.

Coming Events

March 4, 1938, Junior Play, "The Rivals."

March 11, 1938, Symphony Concert, Federal Music Project.

April 1, 1938, Operetta, "Patience."

April 8, 1938, Kaley Prize Speaking Contest.

April 22, 1938, Freshman Play.

May 7, 1938, Scholarship Day, State Department Education.

May 20, 1938, Junior Promenade.

June 3, 1938, Sophomore Play.

June 15, 1938, Class Day Exercises.

June 19, 1938, Baccalaureate Exercises.

June 22, 1938, Graduation Exercises.

(The above dates are subject to change, if necessary.)

Teachers and Subjects 1937-1938

(Number indicates years of service in Milford)

Abbiati, Flora R. (7th). French, English.

Allen, Alva Z. (3rd). Biology, Physical Geography, Geography.

Ames, Dora A. (2nd). Economics, History of Civilization, Sociology.

Auger, Olive M. (2nd). History, Shorthand, Typewriting, Office Practices.

Erickson, Edward I. (3rd). Headmaster, General Mathematics (also four years previously as submaster and physical education).

French, Ruth D. (11th). English.

Herlihy, Alice F. (20th). History, Civics and Occupation.

Jones, Dorothy E. (2nd). English, Latin, Dramatics.

Kalloch, Maurice B. (2nd). Mechanic Arts, Physical Education.

Keach, Elliott W. (3rd). Science, Chemistry, Physical Education.

Langdon, Elizabeth E. (1st). Junior Business Training, Typewriting, Bookkeeping.

Langley, Florence (1st). Home Economics, Nursing and Physiology, The Home.

Poirier, Wilfred A. (2nd). English, History.

Romeo, James P. (2nd). Mathematics.

Savory, Myrtle E. (1st). English, Music, Band, Orchestra.

Talbot, Carl W. (18th). Mechanic Arts.

Wyman, Gilbert H. (1st). Science, Mechanic Arts, History.

Honor Roll (First Half Year 1937-1938)

("G" or better in all major subjects—with "Citizenship" satisfactory)

Grade 12: *Adrienne Alix, *Aleada Austin, *Bequita Barnaby, Robert Davis, Paul Duff, Helen Emery, Joan Falsani, Sybil Greene, Gertrude Maki, Helen Pomeroy, Avis Ramsdell, *Mary Romeo, Rosaline Tocher, Frances Wilkins, Violet Wilkins.

Grade 11: Alice Duerschmidt, Suoma Jarvis, Mary Johnson, Antoinette Luongo, Lois Moore, Dorothy Norton.

Grade 10: Dorothy Cain, *Vileta Chartier, *Royal Foster, Betty Franklin, Kathleen McCue, Phyllis Nute, Livia Rocca, *Mary Smith, **Harold Warren.

Grade 9: Mary Buttrick, Eleanor Carleton, Alice Linna, Pauline Mason, Beatrice Silva.

Grade 8: Josephine Aveni, Winthrop Bourn, Frederick Hutchinson, Emily Moore, Genevieve Rocca.

Grade 7: Frances Gatto, Marilyn Hutchinson, Annie Mannino, John Romani, Rosie Saraceno, Hugo Silveri.

(** H in all major subjects for entire half year. * H in all major subjects for second quarter.)

Student Prints

One of the best means of pupils' self-expression is provided by the publication of the school magazine, "The Student Prints." Under the skillful direction of Miss Ruth D. French, assisted by the other English teachers of the school, the staff produces a booklet of considerable merit. All of the pupils are given an opportunity for originality and initiative in writing poems, short stories, and similar articles. Those individuals who serve as the staff receive invaluable experience which naturally results from managing and editing the magazine.

The Activity Period

Each regular school day includes a half hour period which follows the morning recess. This short period is called the activity period. It is during this time that many worthwhile extra-curricular activities are planned for the pupils. The three-fold objectives include: recreation, good citizenship, and character. Definite time is allowed for assemblies, drills in fundamentals, rehearsals, class meetings, and club meetings.

Certain activity periods are devoted to drills in

fundamentals for all pupils. These subjects include spelling, arithmetic, English grammar, and place geography. Those pupils who show the need of further drill are given additional practice under the guidance of the various home room teachers. This work supplements the regular instruction of the classroom and is for the purpose of strengthening the command of the fundamental processes.

Because of the crowded conditions in the Milford High School building we are handicapped in some endeavors but the activity period has proven its worth in spite of our limited means. Our class organizations are functioning smoothly under the guidance of the various class advisers. We have many fine clubs which contribute vitally to the school life of the pupils. Included in the list of clubs are: dancing, boys' cooking, girls' shop, boxing, science, bridge, crime problems, and first aid.

Our assemblies might contribute in a more valuable way were it possible to have the entire school convene at one time. As it is now, grades 7-9 and grades 10-12 meet separately on different days because of the size of the present assembly-study hall.

We have tried to do more by way of out-of-door activities during this special period. Touch football, soft ball, and skating have been introduced since it is our sincere belief that the health and well-being of the pupils concerned will be improved as well as other benefits received.

With improved facilities, including an auditorium-gymnasium, more of these desirable activities might be included in the daily program of the school.

The Conference Period

It is not possible to over-emphasize the short period from three to three-thirty o'clock which is a phase of our regular school day. During this period

the pupils who wish to confer with the teachers for extra help may do so. Those pupils who are low in the regular class work or who have been absent and have make-up work to do or others who wish extra help over some difficulty benefit a great deal from this opportunity. Any pupil who wishes to report may do so. A great amount of individual instruction is accomplished and in many cases failure has been avoided because a pupil has been very faithful to the purposes of this period. A pupil may meet each of his teachers at least once a week for conference during this special period.

Needs

1. The enrollment of the school has gradually but steadily increased. At the present time we have reached the breaking point as regards capacity of classrooms, shops, and laboratories. A visit to the school while it is in operation will convince even the most skeptical observer, that added classroom space, auditorium space, shop room space, laboratory facilities and library facilities are sorely needed.

2. During the recent cold weather the shop had to be abandoned and the classes sent to the already over-crowded study hall, where sometimes a class was in progress. This was due to the fact that the heating equipment of the school was not capable of heating the shop higher than a temperature of thirty or forty-odd degrees. The accruing waste of pupils' and teachers' time should be eliminated by the installation of a much needed new system of heating.

3. Our salaries still remain below the level that is necessary in order that teachers with experience may be attracted and retained. During the past years we have had more teacher changes than is best for our school. It is the usual thing for us to

lose an experienced teacher due to financial reasons only. In many cases the teacher is attracted from our school to a smaller one which pays more money. It is not educationally economical that the practice be continued. Rather our salary schedule should be raised so we may attract and keep teachers in order that the desired high standards should be maintained.

May I urge in closing that parents and friends visit our school. The resulting conferences serve as a stimulation to us in our efforts. We shall continue to work for the betterment of the boys and girls of Milford and we shall hope to deserve the support and encouragement which we have received in the past.

Respectfully submitted,
EDWARD I. ERICKSON,
Headmaster.

February 1, 1938.

REPORT OF SCHOOL NURSE

To Mr. Harold C. Bales, Superintendent of Schools, Milford, N. H.:

I herewith submit my annual report of the health work in the Milford schools.

The annual medical inspection was made by Dr. Hinds, the nurse assisting. The defects found on this examination will be listed in the school physician's report.

A dental clinic was sponsored by the Milford Woman's Club and other organizations contributed. This clinic was confined to children in grades two and three. Dr. Henry Fiske and Dr. Richard Lawrence did the work at their offices. The following work was accomplished:

Number of pupils treated	84
Number of pupils who received complete care	83
Total number of cleanings	78
Total number of temporary extractions	174
Total number of permanent extractions	17
Total number of cement fillings	19
Total number of amalgam fillings	224
Total number of treatments	17

Tonsil cases have been taken care of at the Balch and County Hospitals during the year.

Hearing tests were made with an audiometer and twenty pupils were found to have defective hearing.

Fifty-eight pupils were found to have defective vision. Many cases have been corrected and I hope more remedial work may be done in the near future.

Five children were taken to the Mental Hygiene Clinic in Manchester.

Cod liver oil has been furnished to those who need it by the Red Cross.

Twelve lessons on Home Hygiene and Home

Nursing were taught to the girls of the Junior Class.

Toxoid for immunization against diphtheria was available at the pre-school clinic which was held at the Community House in June.

Many children attended Dr. Kerr's tuberculosis clinic at the Community House in May, 1937.

Three hundred fifty-two school room visits have been made to the schools during the year and home visits as necessary to follow up remedial work.

In closing I wish to express my appreciation to the school officials, teachers, parents, and friends for their cooperation during the year.

Respectfully submitted,
MISS VENITA H. CARTER, R. N.,
School Nurse.

February 16, 1938.

REPORT OF SCHOOL PHYSICIAN

To the School Board of Milford, New Hampshire:

The following is the annual report of the medical inspection made October 1937.

Number examined: Pupils 800; Teachers 30; Janitors 2; Other Employees 1.

Defects	Cases found	Cases reported to parents
Anaemia	1	1
Orthopedic	3	3
Defective Teeth	147	147
Diseased Tonsils	109	109
Adenoids	1	1
Enlarged Glands	1	1
Unvaccinated	32	32

Respectfully submitted,
W. H. W. HINDS, M. D.,
School Physician.

February 10, 1938.

Dec. 19,	Goffstown	Ariel Elliott	47		25	Riverside

Of the Deaths in town in 1937, 19 were carried out of town for burial: Amherst, 7; Barnstead, 1; Dublin, 1; Everett, Mass., 1; Lowell, Mass., 1; Malden, Mass., 1; Nashua, 1; Peterborough, 1; Portland, Me., 1; Wilton, 4.

Fourteen were brought from away for burial. Some were long ago residents.

Of the 64 deaths recorded, 10 were between 80 and 90; 16 between 70 and 80; 15 between 60 and 70; 8 between 50 and 60; 3 between 40 and 50; 2 between 30 and 40; and 10 under 30 years of age.

Of these deaths 34 were male and 30 female. One or both parents of 28 were born in other countries.

The Vital Statistics of a town are one of its most important records, not merely for today but for generations to come. If everyone would see to it that the records of their own families were fully and correctly filled out on the Marriage, Birth, and Death certificates when handed in, it might be of great use to them or their descendants at some future day, and a great help to us in making out the records of today.

I hereby certify that the foregoing returns are correct according to the best of my knowledge and belief.

DONALD C. BRUCE,
Town Clerk.
